

# ESSENTIAL CIVIL WAR CURRICULUM

---

**David Hochfelder** (University at Albany, SUNY) is the author of *The Telegraph in America: 1832-1920*. He is presently researching a book on the social history of thrift and is collaborating with a team of researchers to digitally reconstruct and repopulate a 98-acre neighborhood demolished in 1962 to build the futuristic Empire State Plaza state capitol complex in Albany, NY.
